

## Cruise 'n Paddle Noosa

Cruise to a tidal river haven and paddle, play and explore on this two-in-one river adventure.

Explore beautiful Noosa from the water via 'The Mothership' and Double Kayaks or Stand Up Paddle Boards (SUPs). Discover the rhythm of wildlife in a tidal river haven and navigate hidden mangrove corridors at high tide.

This tour operates in smooth protected waters and is a great option for groups, first time kayakers or SUPers and families with children. Rain or shine, you will have a great time!

Noosa River & Canal Cruises and Kayak Noosa have joined forces to offer this new and unique experience. Noosa Kayak is an Eco-Tourism certified company and we strongly promote preservation of the precious Noosa Biosphere through recreation and education.
