

KISS wedding package

Keep it Stylishly Simple

We understand that getting married is all about you. So, we have designed this package for you to enjoy your wedding day in a way that is simply stylish.

The Setting

Your gathering of up to 35 people will enjoy exclusive use of our fabulous boat!

From the moment you step aboard, you will be the centre of attention. Share love and laughter over four hours on the stunning Noosa River. The setting is subtle and elegant with soft curtaining, neutral-coloured seat covers and scatter cushions.

The Ceremony

Say “I do” as we float on the river or our skipper can set anchor on a secluded beach. Our celebrants are among Noosa’s most loved and will liaise with you to ensure that your ceremony is exactly as you wish it to be.

The Flavour

Simple and indulgent, a menu of delicious and substantial canapes and petit fours for you and your guests to enjoy (+\$34pp or \$42pp). For those who like to nibble, bar snacks are also included. **Alternative menu options are available, please call us to discuss.

The Celebration

BYO your selection of bubbles, wine, brews and softer options. Leave your drinks in our care the day prior to your wedding to ensure they’re chilled and ready to enjoy!

The Ambience

Set the ambience with subtle background music or your favourite dance songs. Draw from our extensive playlist or feel free to bring your own music to Bluetooth via our on-board sound system.
